Membership

CWMA is a nonprofit, member-driven organization whose mission is to provide education, regulatory direction, professional improvement, and environmental awareness to preserve and protect our natural resources from the degrading impacts of invasive species (terrestrial and aquatic vegetation) in Colorado and surrounding states.

CWMA is your one-stop-shop for tools and resources to:

- Connect with peers for support, advice and solutions
- Maintain your hard-earned license(s)
- Learn the latest identification and management strategies
- Increase environmental awareness among decision-makers and the broader public
- Share your voice by participating in new legislation and interacting with legislators
- Advance your career and develop leadership skills

You Don't Want to Miss!

- Our two annual events – Winter and Spring Trainings – offering continuing education credits, networking and education
- Popular publications – CWMA Noxious Weeds of Colorado Books and CWMA Noxious Weed Calendars – available for purchase
- Ray Kessler Memorial Scholarships offering up to \$900 for education

Apply for a membership at www.cwma.org or visit our CWMA Winter Training registration table.

Earn continuing education credits for your license(s)!

Qualified Supervisors and Certified Operators must accumulate 7 Continuing Education Credits (CEC's) in certain core subjects and 1 CEC in each of the categories in which you are currently licensed except Turf Pest Control, Ornamental Pest Control, and Residential Commercial Pest Control which require 2 CEC's to maintain your status.

The Winter Training offers Colorado Department of Agriculture Continuing Education Credits (CEC's) in in several categories. More information can be found on the training schedule.
